2. Applying for a refund

The applicant must provide any supporting documentation with their form, as appropriate.

3. How we handle a refund request

All applications are dealt with on a case by case basis by the Director of Operations in liaison with the Finance Officer.

All applications shall be processed within 30 days of receipt of the application form.

When considering a refund request, the Director of Operations shall assess:

1. Whether the applicant falls within the “Cooling Off” period (see 4. Consumer Rights)
2. The terms of refunds offered based on the service type (see 5. *Service Types*);
3. The date the application is received in relation to the services booked;
4. The basis under which the student is applying for a refund.

Where fees are paid by a party on behalf of the applicant, LILA reserves the right to notify that party of the refund request.

If the Director of Operations is not satisfied that they have sufficient information to assess a refund application then they shall seek further information from the applicant and, when appropriate, colleagues in the LILA team.

If the Director of Operations is not satisfied that the applicant meets the eligibility criteria they shall notify the applicant of the reason for the rejection in writing.

If the Director of Operations is satisfied that the applicant meets the eligibility criteria they shall notify the applicant that their request has been accepted, the amount which has been authorised and the date on which the refund payment shall be made. (see also 6. *Making Payments*).
